

## Genesis™ Windows and Doors

The more you look...

## Awning Windows

**So you're a home owner** with a busy lifestyle, work commitments, a family to look after. You may also be building or renovating which means you are trying to fit it all in.

The good news is that Genesis™ windows and doors have been designed with a unique aluminium frame, allowing different products to be integrated together throughout your home saving you time and money.

**Genesis™ windows and doors feature an exclusive design of clean visual lines, curved features and rounded edges.**

The Genesis™ suite has also been acoustically tested and rated to comply with new energy rating codes.

And the added bonus is that Genesis™ windows and doors are easier to keep clean than traditional residential window and door suites. The products have fewer cavities and grooves so less places for spiders and dust to accumulate; an ideal solution for any busy household.

Genesis.™ The awning windows you've been looking for

Well worth looking into...

## GENESIS™ AWNING WINDOWS

### FEATURES INCLUDE:

- A window which has been designed and manufactured from extensive international research. Techniques have been developed to ensure the product finish is flawless and consistent.
- The option of having your security or flyscreens fitted to your awning window during the initial installation or at a later date.
- The option of double-glazing, if required.
- The option of matching all the windows in your home by installing a combination of Genesis™ Awning and Casement windows. With windows from the same family of products, a consistent window design can be achieved throughout your home.

### Other Genesis™ features include:

- Double seals that are incorporated into the window to reduce the transfer of air and noise into your home.

- Lockable and non-lockable window handles and chain winders.

- A 'four bar stay' which allows air flow over the top and bottom of the window when the window is open.

### Genesis™ awning windows are available in:

Anotech Dark Grey

Magnolia

Pearl White

Primrose

Satin Black

Natural Anodised
