

Genesis™ Windows and Doors

The more you look...

Genesis™ windows and doors feature an exclusive design of clean visual lines, curved features and rounded edges.

The Genesis™ suite has also been acoustically tested and rated to comply with new energy rating codes.

And the added bonus is that Genesis™ windows and doors are easier to keep clean than traditional residential window and door suites. The products have fewer cavities and grooves so less places for spiders and dust to accumulate; an ideal solution for any busy household.

Double Hung Windows

So you're a home owner with a busy lifestyle, work commitments, a family to look after. You may also be building or renovating which means you are trying to fit it all in,

The good news is that Genesis™ windows and doors have been designed with a unique aluminium frame, allowing different products to be integrated together throughout your home saving you time and money.

Genesis.™ The double hung windows you've been looking for

Well worth looking into...

GENESIS™ DOUBLE HUNG WINDOWS

FEATURES INCLUDE:

- Window panels that operate independently of each other. This means that you can choose to have one panel open and the other closed.
- An option of a fixed restrictor that limits the opening capability of the window.
- A choice of security options, with a lockable and non-lockable catch located in the middle of the window.
- The option of having your security or flyscreens fitted to your double hung window during the initial installation or at a later date.
- The option of double-glazing, if required.
- An optional 'federation style scroll' to give the window the look and feel of a traditional timber window.

Other Genesis™ features include:

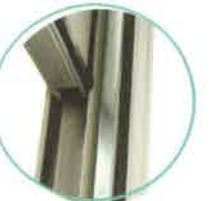

- Tight seals which prevent air leakage and to allows you to better control the climate in your home.

- Window balances which allow the window to easily open and close.

- High quality hardware so the opening and closing operation of the window is smooth and effortless.

- An option of removing the glass panels from the inside for cleaning and maintenance.

- A 'lift and lower' handle which provides assistance when opening and closing the window.

Genesis™ double hung windows are available in:

Anotech Dark Grey

Magnolia

Pearl White

Primrose

Satin Black

Natural Anodised
